

Rosanna Blacket, editor: *SceneUn*, video stills 2020

VIDEO

SceneUn by Rosanna Blacket

Not lost. . . Not silenced. . . Simply waiting.

Entombed works caught in the transformation of gallery into archive, wait patiently for fingers of light and patterns of movement to bring them into reality.

The exhibition of Scene Unseen is holding its breath until you return.

Rosanna – creative director, editor

Sandie – photography

Iona – Works in video

Julien- Works in video
