

Atmosphere

Entrance Gallery
Alex Selenitsch

On the wall, the words atmosphere, smoke, mirror, cloud, mist, haze, fog and air done as one-page blocks, letter by letter, to slow down reading and defocus meaning; not pictures of words, but images of reading, made out of typing, using a standard word-processing program and a standard printer.

George Paton Gallery Exhibition Archive 2017
14a: 4 — 13 October
