

The Fold

**Lily Baxter, Eliza Cullen, Lauren Johnston, Ellie Murtagh, Liana Prosia, Lilly Skipper, Madelaine Sloane, Shelley Spangler
Curated by Lilly Skipper**

Artists negotiate the motivating forces that drive and decompose movement and flexions. This elastic force of the body and material alike, is determined in hardness and fluidity. Comparatively, works consider the finite body to the infinities of material through the cohering, unifying parts forming the tunic of The Fold.
