

GUILD THEATRE

Equidistant Objects

Performance Event with Sandra Bridie, Freya McGrath, Melanie Irwin and Reis Lowe
22 / 31 May 2019

Informed by John Cage's seminal 'happening' *Untitled Event*, 1952 (later known as *Theater Piece No. 1*), the Guild Theatre became a venue for a non-narrative, cross-disciplinary project culminating in a public/event/happening/performance.

Bridie, Irwin, McGrath and Reis devised a series of components for the project incorporating elements of sound, text, choreography, projections, orations and actions performed with a sense of 'parallel play'.
