

Make a Fake

VCA Photography Students,
Coordinated by Sanja Pahoki

ENTRANCE & MAIN GALLERY

Make a Fake is an ongoing presentation by Twenty First-Year Photography Students studying at the Victorian College of the Arts. Each week the students are given instructions to research and make work in the likeness of key contemporary photo-based artists. For the duration of the exhibition, starting before the gallery opens each day and continuing until it closes, new configurations of artworks will be tested and displayed.

There is a special group event from 1:30pm on Friday 30th May where all twenty students will be at the gallery doing Wolfgang Tillmans.
