The Artist's Eye

**Christy Chudosnik, James Farrar, Indi Meara, Wylie Siassios,
Vasilika Tsingos and Greta Wallaby-Crayfish Miller**

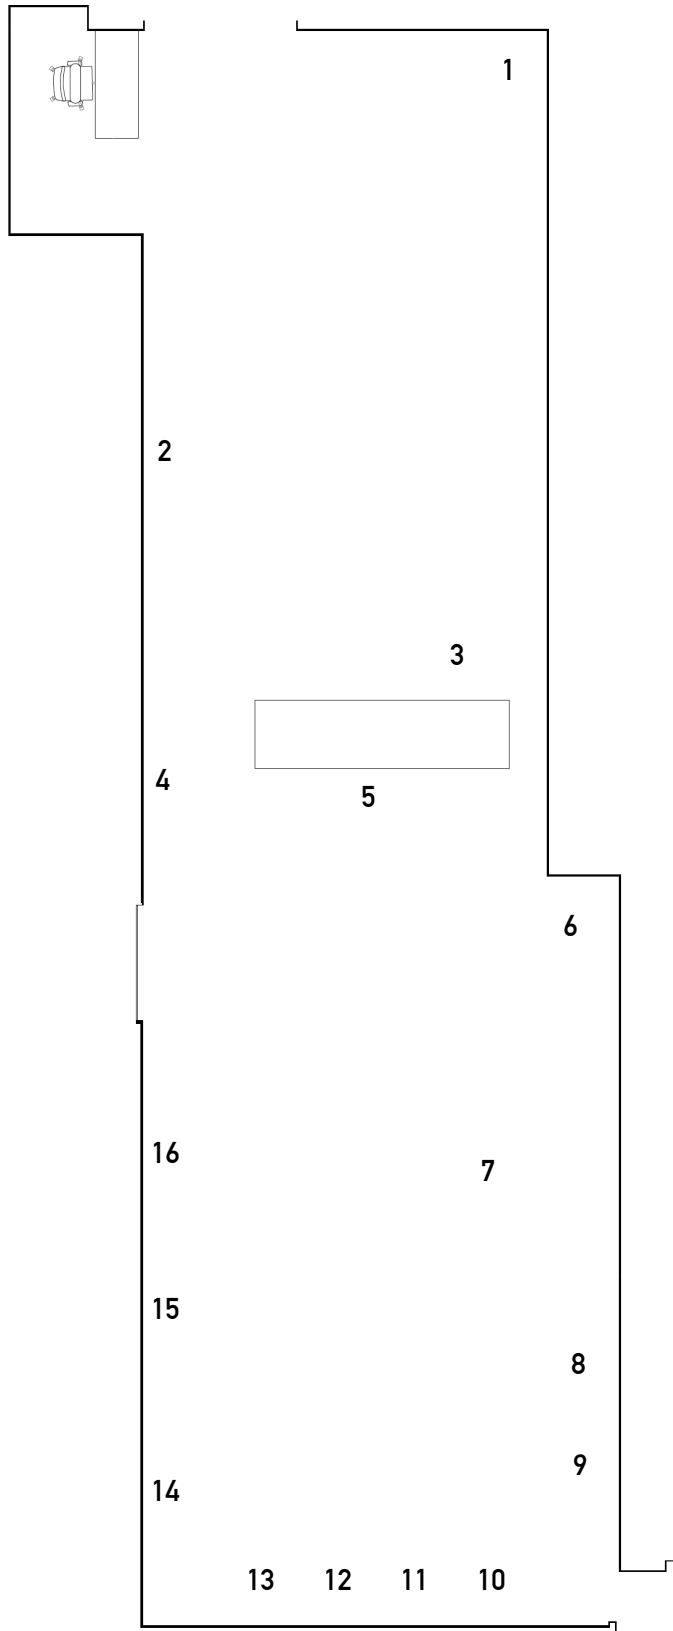

Curated by Patricia Agus

This exhibition is closely inspired by the essays in John Berger's book 'Ways of Seeing'. How we see and interpret the world and how we live in it will influence our work and practice in some way. The way we see as artists is different to those outside of our world, yet it is a crucial process in artmaking. I want to present the audience with a glimpse of an artist's mind, how we think, how we see the world and how we see the materials around us.
