Signal is a curated live-art week occurring across the Parkville campus at lunchtime in unexpected locations. We’re bringing student performance and art to the wider student body in a pop-up capacity. Keep your eyes open this week for unusual activity at Uni!

The event was made possible through funding from the Cultural and Community Relations Advisory Group.

Guided Tours (including Audio description) and tactile displays can be organised to view the shows at the George Paton Gallery and during Signal: Live Arts Week by appointment.
