Is it straight?
Sam Fagan, Minna Gilligan, Georgina Glanville, Sarah Jane Haywood, Annabelle Kingston, Kenny Pittock, Tristan Da Roza, Marc Savoia, Guillaume Savy, Made Spencer-Castle, Nic Tammens and Inez de Vega
Curated by Craig Burgess

Is it Straight? invites twelve emerging artists working across different disciplines to respond to the idea of straightness in any way that is relevant to their practice. The exhibition aims to make visible the relationship each artist has with straightness and explore the point where politics and aesthetics become indistinguishable.
