Round 1 Grants have closed. We have selected those who are successful on the basis of eligibility and application strength, to be confirmed by committee.
Our first workshop (arts grant writing) was a huge success with quite a few people turning up and even more emailing us for information from the session.

Mudfest: Have opened applications and are meeting with people all the time to talk about their ideas. Have gotten Mudfest on the list for post-grad internships as a means of incorporating more international student involvement as well as delegating jobs to more people. Sponsorship package complete and ready to be sent out to potential sponsors.

Liquor licensing applications are underway and we are set to meet with Paul Durrant to talk about venue allocation and building services for Mudfest

Disabilities Liason Unit have provided us with $3000 towards access support throughout the year, some of which we would like to put towards grant-rewarded projects, and some towards Mudfest projects.
