Agenda Item 6: Film Screening

The film screening seemed to draw a new and different bunch of people than the usual collective. Overall it was a rather pleasant afternoon / evening with some lively debate and discussion.

Agenda Item 7: Queer Zine and Book Library

We have acquired several new books for the queer zine and book library. We’re hoping to have the queer zine and book library up and running in time for next semester. Photocopies will be made available in the queer space, whilst the hard- and master-copies will be kept in the office so as they designed and will hopefully be implemented by next semester.
Topics covered range from the theoretical to the autobiographical and will prove to be a valuable resource for the queer department.

Agenda Item 8: Queer Collaborations, Canberra 09

The annual Queer Collaborations conference is coming up for the year. It is a week-long conference that will be held in the ACT at the Australian National University between the 13th and the 17th of July (www.qc09.anu.edu.au). Traditionally the queer department has subsidised the costs of travel and registration, and we hope to continue this subsidisation this year. Registration forms will be made available and notification sent out shortly.
