- All Affiliated clubs are entitled to a stall at C&S Expos.
- Only Affiliated clubs are entitled to a stall at C&S Expos.
- The C&S Committee may make provision, in advance of the Expo by a motion, for groups affiliated to another Melbourne University organisation to participate in the Expo at a cost to be set by the Committee in the same motion.
- All groups participating in a C&S Expo must agree to be bound by the terms and conditions of this Policy.
- No club shall receive preferential treatment in any part of this Policy, regardless of relationship with the C&S Department.
- Any on-campus recruitment during Orientation must be at a C&S Expo stall or a C&S approved event.

Making a Booking

- It is the individual club’s responsibility to respond to C&S correspondence and make Bookings as stipulated by the C&S Office.
- If a club does not submit bookings to C&S staff in person it is not the responsibility of C&S if bookings fail to reach the office. A club is welcome to correspond with the C&S Office to confirm the Booking has been received.
- C&S will confirm bookings at the latest a week in advance of the Expo. At that time no upward variation on the number of stalls will be made. Late applicants will be placed in order of enquiry on a waiting list and allocated a stall if cancellations are received.
- A Booking is only considered complete if it is made using the form provided by C&S with personal details at the top of the form AND a pick-up person designated for all the days on which the club is participating in the Expo.
- A Booking entitles a club to provision of a weather protected stall consisting of one trestle table and two chairs. No other equipment is provided (see Use of Electrical Equipment and Provision of Pin-Boards below).
Cancellation
- Cancellation of a booking must be in writing to the C&S Administrator at least 24 hours before the advertised start time of the Expo.
- A cancellation can only be considered complete if a written reply is received from C&S.
- Clubs that fail to check-in and have not provided sufficient cancellation notice will be invoiced the Security Deposit amount.

Allocation
- Spaces are allocated prior to the Expo. They are allocated randomly, with allocations changing on each day of a multiple-day Expo. Every effort will be made by the C&S Department to provide adequate rotation to ‘good’ allocations.
- Requests for ‘good’ spots or locations with high exposure will be disregarded. Special requests will only be considered to allow space for performance and/or demonstration directly relating to the aims of the club, or for clubs that would like to be grouped with or separated from specific clubs.
- Each club will be allocated only space for one table. There is not space to permit variations, nor is there space for a display to exceed the width of the table.

Use of Electrical Equipment
- Access to Electricity must be booked at same time the Expo stall is booked.
- A club will be provided access to Electricity only if details of the equipment to be powered are provided. The club must advise how many power-points are required and what the devices there are that require power.
- Organisation of Electricity is at a cost. Payment must be made at the time of booking and is entirely non-refundable, except where a club cancels their booking (see Cancellation above).
- Testing & Tagging will be arranged at a date and place to be stipulated by C&S. The club is responsible for delivering all equipment and power leads to C&S as required.
- Only equipment that passes testing & tagging can be used at the Expo.
- Only Australian standard equipment may be used at the Expo. No overseas plugs or adaptors will be tested or permitted.
- If a club fails to get its equipment tested & tagged it will not be provided with access to electricity.

Provision of Pin-boards
- C&S will advise with Expo information if pin-boards will be made available.
- Clubs must pay for pin-boards when making the Expo booking. If no payment is made no pin-board will be provided.
- C&S will return the money if it cannot provide a pin-board.
- If pin-board numbers are limited, pin-boards will be provided in the order that payment was received.

Check-In (Collecting the Allocation)
- Check-in will only be between the times set & advised by the C&S Department.
- Allocations will not be available prior to the day.
• Allocation will only be to the person/people indicated on the Table Booking form or a member of the club executive (showing an Executive Card).

• The Security Deposit is required at check-in. Clubs are responsible for providing the correct deposit as no change can be given. No coins, cheques or credit cards will be accepted.

• An Orientation Refund Token will be issued in exchange for the deposit. The club representative checking in is responsible to ensure they have obtained the Token from the C&S staff.

Conditions of Stall Usage

• Clubs must not conduct their stall in a way that impinges on surrounding stalls. A club that causes difficulty to surrounding clubs will be required to cease recruitment, pack up and leave the Expo immediately, forfeiting their Security Deposit. This includes:
  • Displays, club materials and staff must stay within the club stall and not encroach on other club stalls; in front, on tables, or behind the stalls.
  • Music or amplified noise must be kept to a reasonable level.
  • Clubs must not take equipment from other stalls.

• Each club is allocated one table and two chairs only.

• The Information Centre will usually restrict Union House stall availability during theme weeks.

• Clubs should be set up before the advertised start time of the Expo.

• Each club will be allocated a numbered space. They must ensure they are set up in that space.

• Stalls must not be left unattended. If a stall is left unattended the club will forfeit the Security Deposit.

• If C&S-provided equipment is broken or lost the Security Deposit will be forfeit.

• No roaming recruitment shall be permitted at the C&S Expo.

• Clubs must abide by all instructions given by C&S Staff.

Risk Management and Safety

• Clubs must be mindful of surrounding clubs when signing up members and should not over-staff their space as this causes over-crowding.

• Materials must be stored within the stall area, or off-site storage arrangements made.

• Clubs must be mindful of not creating trip hazards and wind-sail hazards with their stall materials.

• No alcohol may be consumed or distributed at the Expo.

• Breaches of the Risk Management and Safety section of this Policy will result in forfeit of the Security Deposit.

Sponsors & Non-Affiliated Groups

• Only the club who has booked the space may use the space.

• Clubs must not host people from sponsor organisations.

• Clubs may carry sponsor materials which must not exceed 10% of a club display. All club sponsor materials must be entirely housed within the club stall.
• If sponsor materials conflict with C&S sponsors the club will be asked to remove the materials.

• Clubs may be required to carry Student Union promotional material on their tables during the Expo (as determined by a motion of the C&S Committee). Such material will be provided by C&S upon check-in and must be prominently displayed on the club table.

• No club may host a non-affiliated club at their table or allow any other group or club to use their stall.

• Clubs that breach the Sponsors & Non-Affiliated Groups section of this Policy will be billed the Sponsorship fine.

Check-Out (Getting the Security Deposit Back)

• Clubs are obliged to remain at the Expo until 30 minutes before the advertised finish time (at the earliest) and must complete cleaning up and check-out within 30 minutes after the advertised finish time.

• C&S Staff may circulate the Expo on the day to advise an earlier check-out due to poor attendance or poor weather.

• Earlier check-out may be arranged to accommodate special circumstances by consultation with the C&S Administrator at least 48 hours prior to the start of the Expo.

• To prepare to check out all materials must be packed up, including removing all materials from the marquee and table, and folding and stacking the chairs on the table.

• When the club is ready to check out a representative must approach a C&S staff member and request a table check. The staff member will escort the club representative to the table and check that it is all clear. If the clean up is not satisfactory instructions will be given to complete the clean-up. When clean up is satisfactory the C&S representative will stamp the hand of the club representative who may then return to the C&S stall to collect the Security Deposit.

• A club will only be able to obtain a refund of the Security Deposit if they return the Orientation Refund Token upon check-out.

• If a club loses the Token they may only obtain the Security Deposit refund after 2 pm on the subsequent work day, after C&S has reconciled uncollected and forfeited deposits.
