Motion 4
Move that the Chinese Theatre Group representative be granted observer status and speaking rights.
Mover: Christinna MAWAR
Seconder: Laxana PRAGASAM
CARRIED without contention.

The Chinese Theatre Group is a non-UMSU-affiliated group with around 250 members whom they charge $10/year for membership. Their given reason as to why they aren’t UMSU affiliated is because they are already affiliated with the Union House Theatre.
They applied for two separate grants, namely:

1) Pre-production lunch
A semi-annual bonding event for all members working on the production (about 60) that is generally held at a loss.
They applied for $60.71 (their calculated loss) for the pre-production lunch.

2) Theatre production
Held every semester, their theatre production aims to shed more light on Chinese theatre and culture. They generally sell more than 1000 tickets over 4 shows, charging 15-18 dollars per ticket. Most of the audience is made up of international students.
Obtaining the grant would have provided them a buffer prior to showing as they would not need to wait until ticket sales to recover their expenditures. They also mentioned that they traditionally purchase a roast pig before showing ($288).

According to them, any profits made would be channelled into their next production in which case the grant would be for improving their production rather than covering losses.
They applied for $400 for their theatre production.
There was a mistake in their grant application in that the royalty fee was calculated a second time under the name “copyright fee” and they were informed such.

Motion 5
Move that the standing order be suspend at 17 20 to discuss the CTG grant application.

Mover: Benedict NATHANIEL
Seconder: Su Zen ONG
CARRIED without contention.

1) Pre-production lunch
(13) Votes in favour of awarding them $60.71 – To cover their projected losses.
(6) Votes in favour of rejecting their grant application – As they did not factor in previously obtained grants in their calculations.
(7) Abstentions.

Mover: Ho Yan KO

UMSU International
1. Introduction

This report covers the period from September 25th 2014 to October 9th 2014.
Aim:
● To address the questions graduating students have on visa or migration.
● To create awareness of services provided by the university.
● To address international students’ concern on their IELTS score, whether for migration, further education, or employment purposes.
● To promote UMSU International

2. Event Summary

a) Visa & Migration Information Session (Visa Options)
Date and Time: Thursday, September 25th 2014, 12 - 2 pm
Venue: Theatre B, Old Arts Building
Speaker: Greta Haywood, Legal department of UMSU
The interest in Visa Options was enormous. The venue was not sufficient for the participants. The trivia had a good response. The overall satisfaction for this event was 71%.

b) IELTS Workshop
Date and Time: Thursday, October 9th 2014, 5.30 – 7.30 pm
Venue: Latham Theatre, Redmond Barry Building
Speaker: Don Oliver, IDP
The communication between UMSU International and IDP was slow, thus the period of time for event organizing and publicizing were not sufficient. This semester, the IELTS workshop has a different speaker and content. The speaker, which is an IELTS test writer, delivered the content engagingly and clearly. The content focuses on Writing and Speaking, which international students struggle the most with. This allowed the students to gain a more in-depth understanding of the test and how to improve their IELTS score. These changes were highly received. The overall satisfaction was 95%.

3. Turn out

Visa Options
Aim: 40 people
Registration: 155 people
Actual Attendance: 120 people.

5. Recommendation

- The next Visa Options should account for higher interest and utilize a venue with larger capacity.
- The Trivia in Visa Options should be done again.
- The material for Visa Options should explore deeper on popular options.
- The contact with the external parties should be done with multiple contact channels in case one of them is missing.
- Earlier event details confirmation should be done to allow earlier publicity
