Ethan outlines that on the Tuesday Education OBs will also be handing out pamphlets from the Advocacy and Legal team at UMSU. Updates on the printing of the Know Your University booklet, which should be heading to print next week.

Summerfest planning and the Know Your University booklets are almost ready to print. Moira is attending a meeting with Chancellory and the Elected Reps, querying COVID safety and measures on campus. Ventilation assessments at the university have also been brought up, which the university has made, however the information has not yet been publicly shared to students. As well there has been general advocacy matters which have been followed up on.

Ben (as outlined in his OB report) has spent a majority of their time working towards the Stop the Menzies Institute campaign. Plans have been solidified, moving from a Forum towards a Planning meeting in Week 1 (Wednesday 2<sup>nd</sup> March, 2pm). This will be an opportunity to reinvigorate this campaign as we head back to campus. Difficulties with promotions for this event have been ongoing due to design busyness around Summerfest. The Film screening will be on Week 1 on the Friday, please make sure to come along and attend! Collectives will also be starting in Week 1, so please come along to them too.
