Key Activities

1. **NSSS Panel:** Scottie and I have been working on the National Safety Student's Survey Panel. We are working closely with Sexual Harm Response Coordinators in the delivery of the panel to be hosted on Parkville and Southbank campuses. The panel is scheduled to deliver potentially in Week 10 across two days.
2. **Zero Tolerance Campaign:** We will soon be relaunching the Zero Tolerance Campaign, and our understanding is the Panel will pave a pathway in relaunching this campus. This is still in the air but Women's and SHRCs are working on mind-mapping as to what and how this campaign should look like. We will soon start engaging students re: Zero Tolerance during feminist action collectives, so please do come by!!
3. **Collectives and other events:** Let's just say, we are a bit burnt out from everything going around, luckily turnout for this week's collectives was really good. Please promote them among your peers and friends and do come by if you got any time <3
We are also looking forward to hosting an open mic towards the end of the semester, this is also in the planning stages we are open to any ideas if the committee wants to share.

Action points to be completed by next report

1. Finalise 'Planning and Campaigning' document
2. Look for potential speakers and spaces to convene Panel
