

## *Documenting Space*

**Gabrielle Bergman, Ellyn Faye, Jack Murray and Anna Steele**  
**Curated by Gabrielle Bergman**

*Documenting Space* provides an examination of both the physical and historical conditions of the George Paton Gallery within the context of its location at Union House. It will exhibit work from an artist, an architect, and an interior designer, all of which have a unique and sensitive approach to the observation, documentation, design, and intervention within spatial environments.
