Tastings is an opportunity for current students to develop new creative works, learn new skills, and collaborate with a tightknit team of peers.

With an emphasis on revitalisation, renewal and reimagination of the arts, **Tastings** supports students to develop creative works in a variety of artforms and mediums including theatrical productions and performances, dance, exhibitions, films and more!

Tastings Takeover supports visual artists, and interdisciplinary practitioners to experiment with ideas and methods of display within the new George Paton Gallery.

We acknowledge the traditional custodians of the land on which this show takes place, the Boon Wurrung and Wurundjeri people. We acknowledge that this is stolen land, and that sovereignty has never been ceded. It always was and always will be, Aboriginal land.
