

***Cherished deviances: Distraction and other romances***

**Bec Martin, Kurt Medenbach, Ly Nguyen, Beth Sanderson and Jessie Turner  
Curated by Izzy Baker and Mia Palmer-Verevis**

In deciding what deserves attention, distraction poses a threat. By paying mind to distraction, *Cherished deviances: Distraction and other romances* asks whether – in its obliqueness, unruliness and tangentiality – distraction can be a productive, blissful and even subversive mode of thinking.
