

## IF I HAD POSSESSION OVER JUDGEMENT DAY

**Francis Meehan**

**5 / 15 September 2006**

A sculpture and video installation, IF I HAD POSSESSION OVER JUDGEMENT DAY, offers an alternative narrative to the fall of Adam and Eve, in which Adam seeks an ultimate redemption by his own agency. A black sheep refuses to hand over his three bags full. Francis Meehan goes on a wild goose chase.

**Opening night**
