

TANGENTIAL PRACTICE: THE EXHIBITION

Coordinated by Sandra Bridie
25 April/5 May

TP: E is an invitation to sixteen VCA School of Art students to create a Tangential Project. Here they are asked to move beyond the known in their studio habits and to open up secondary lines of investigation in their practice—be they material, conceptual or interpersonal—to produce a new, imagined work for the GPG space.

Opening night

Wednesday 26 April, 5/7pm
