

Lots of people have what you have

**Leonie Connellan, Laura Delaney, Wanda Gillespie,
Alanna Lorenzon, Rocio Pudney, Tom Reddington, Daniel Stojkovich
Curated by Anusha Kenny
24 February-13 March**

According to cognitive behavioural therapy, personality can be explained by a triangle with three corners: emotions, thoughts, and behaviours. If one corner is altered by a degree, the other two angles will also change, as in mathematics. This exhibition reflects on art and mood, which are less tractable, unfortunately.
