

# UNIVERSITY OF MELBOURNE STUDENT UNION (UMSU) ANNUAL ELECTION 4TH–8TH SEPTEMBER, 2023

## Count update

Polling closed at 5pm Friday and BigPulse, the elections service provider, have provided a preliminary count.

This document contains a provisional distribution of preferences for all single-member positions, and first preferences for all multi-member positions.

We have not yet done a full preference distribution for multi-member positions because:

- For some positions, UMSU's affirmative action rules will come into effect.
- We are aware in the past small differences between BigPulse's algorithm and the method set out in the Electoral Regulation have contributed to some uncertainty in the results. We are reviewing all close exclusions to ensure we stand by the results we release.

We expect to make a full provisional declaration of results, including count-sheets, next week, most likely on Monday.
