WHO WE ARE

The University of Melbourne Student Union (UMSU) International is the official representative body for all international students at the University of Melbourne. Whether you are an undergraduate, graduate, study abroad or exchange student, we are your voice on campus.

OUR MEMBERS

We are a department of the Student Union, and all international students enrolled in the University are automatically members of UMSU International. All members are eligible to vote in our *Annual General Election* and *Annual General Meeting*.

GET INVOLVED

If you are passionate about serving the international student community, run for an UMSU International Office Bearer position during our Annual General Election. Alternatively, we have a **volunteer program (International Students Ambassador Program)** where you get to work alongside students from diverse backgrounds and help out in campus-wide events. Applications open at the start of each semester. Drop by our Lounge for more details.

Accent is our fortnightly e-newsletter with information on upcoming events on campus and around Melbourne. Subscribe here: bit.ly/umsuaccent

INTERNATIONAL STUDENT'S LOUNGE

Come to our Lounge at Level 2 of Union House for a place to chill in between lessons or as a regular lunchtime spot.

Our office is right next to the Lounge, so drop by if you have any queries. We are always here for you. Alternatively, give us a call or send us an email anytime. All correspondence will be confidential.

WHAT WE PROVIDE

REPRESENTATION

Let us know your thoughts and concerns about issues affecting international students' education or wellbeing. We act as a medium between students, the University, as well as external parties.

PEER SUPPORT

UMSU International is run by students. We can relate to issues and problems international students face. If you need a listening ear or advice from a peer, do not hesitate to seek us out.
