

Equidistant Objects

Union House Theatre and George Paton Gallery

Informed by John Cage's seminal 'happening' *Untitled Event, 1952* (later known as *Theater Piece No.1*), the Guild Theatre will be the venue for a non-narrative, cross-disciplinary project culminating in a public/event/happening/performance.

Students will devise a series of components for the project that incorporate sound, text, movement and visual art.
