Clubs & Societies Guide 2020
UMSU Clubs & Societies (C&S) are a key part of student life. They bring a depth of culture to campus and allow students to participate in groups dedicated to special interests and course-based activities.

Many of the clubs have a long history at the University of Melbourne having been a part of campus life for decades.

For the latest listing of clubs, visit the website: umsu.unimelb.edu.au/clubs

Hey hey superstars!!! To those who are starting uni this year, welcome and to everyone else, welcome back! My name is Jordan Di Natale (a.k.a. the Italian Stallion of UniMelb Love Letters) and I am your Clubs and Societies Officer for 2020!

Clubs are an integral part of university life for many students. They’re an amazing opportunity to make new friends, hangout with old ones, and of course score some free food and other goodies! They’re also an awesome opportunity to enrich your uni experience outside of the classroom, and to have an all-round tremendous time during your studies!

There are over 200 clubs affiliated with UMSU, with something for everyone! There are a vast range of clubs you can get involved in — from spiritual to cultural, musical to political, and hobbies to various specific special interests. There are also a number of faculty and course related clubs which help you get to know other people within your course.

There really is a club for EVERYONE!!!

The Clubs and Societies department grant funding for club events and activities, as well as provide significant administrative support to clubs.

In 2020, the department will continue to provide funding and support to all clubs in any way possible, so that clubs can easily create fun events and activities for all university students.

The department is also responsible for affiliating new clubs, so if you feel like there is scope for an additional club, have a chat to us about it – we are more than happy to help out!

Read this guide and check out all the clubs that we have on offer. Also, keep your eye on our events calendar on our website to find out what club events are happening when: umsu.unimelb.edu.au/getinvolved/clubs/events

There is no doubt that Clubs and Societies will be the best part of your uni experience — get involved and I guarantee you won’t regret it!

Our office is located on the Ground Floor of Union House, right next to North Court. Just look for the penguins (that’s Gunter, our superstar mascot!) and come on by – we’re always happy to answer any clubs related questions or queries that you may have.

Keep being superstars everyone!

This has been your Clubs OB/The Italian Stallion signing off once again.

Jordan — Clubs and Societies Office Bearer
AIESEC in Melbourne
AIESEC stands for youth leadership. Through global exchanges and upskilling events, we empower students to make an impact on society and themselves.

China Rural Education Initiative
The club provides projects as a platform for students at the University to participate in supporting and enhancing education in rural China.
E: ruraleducationinchina@gmail.com
F: Chinarural
IG: ruraleducationinchina
LT: AIESEC Australia Ltd
W: chinaruraleducation.wordpress.com

reasons to start a club can be as simple as contributing to the University community, meeting like-minded people or to receive funding from UMSU for events.

Some of the benefits of affiliation include representation and support from the UMSU C&S department, financial grants in specific categories, free or discounted use of UMSU and University facilities and resources, participation in C&S promotional expos, access to locker and mail facilities, discounted training in Safe Food Handling and Responsible Service of Alcohol, listing in C&S advertising and on the UMSU website, and public liability insurance cover.

The club affiliation process is straightforward and you can always contact the C&S office for help.

How to affiliate your club

Reasons to start a club can be as simple as contributing to the University community, meeting like-minded people or to receive funding from UMSU for events.

Some of the benefits of affiliation include representation and support from the UMSU C&S department, financial grants in specific categories, free or discounted use of UMSU and University facilities and resources, participation in C&S promotional expos, access to locker and mail facilities, discounted training in Safe Food Handling and Responsible Service of Alcohol, listing in C&S advertising and on the UMSU website, and public liability insurance cover.

The club affiliation process is straightforward and you can always contact the C&S office for help.

Fill in an application form (available online or from Union House) and submit it by 4.30pm on the Friday of Week 3.

You will need to complete all sections of the form, including finding 50 students to sign the Expressions of Interest form.

In weeks 4 and 5 the C&S Committee considers all applications and you will be advised of the outcome!

If the C&S Committee accepts your application, you will be invited to draft a club constitution (we will help you with this) and attend an information session about holding an Inaugural General Meeting (IGM).

Following your IGM, the clubs staff will review all of your paperwork and the C&S Committee will formally affiliate or deny affiliation to your club and you will be advised of the outcome.

For more information please visit:
umsu.unimelb.edu.au/clubsaffiliate
Or come and speak to Jordan in the C&S office!
Community Service Clubs

Community Based Health Project
