UMSU Clubs & Societies is a multi way destination stop that connects all students with various different clubs. From Course Related to Community Service, to even Special Interest and Politics! We strive to create a safe environment where everyone has a place to be in, to do things that they enjoy and are dedicated to during their University journey!

Many of the clubs affiliated with us have a long history at the University of Melbourne. At the same time, we welcome new affiliated clubs every year! We believe all clubs, big or small are an integral part of our community, and wish to continue this welcoming space for everyone to be in!
Contents

7  Community Service Clubs
11  Course Related Clubs
21  Culture & Language Clubs
27  Food & Beverage Clubs
29  Music & Dance Clubs
31  Political & Activist Clubs
33  Reading, Writing & Watching Clubs
34  Special Interests Clubs
38  Spiritual Clubs
40  Sports & Games Clubs
42  Membership Form Links
We are Kalyana (she/her) and Muskaan (she/her), and am honored to be your Clubs & Societies Officers for 2021!

Clubs are an integral part of University life for many students. It is a space where you can meet new people, hang out with old pals and even score free goodies and food! At the same time, they provide a chance where you can truly enrich your overall University experience outside of your normal day to day studies and classes.

There are currently 200+ clubs affiliated with UMSU and we believe there is a place for everyone to be a part of!

The Clubs and Societies department grants funding for club events and activities, as well as provide significant administrative support to clubs.

We are aware that COVID-19 has put a halt in everyone’s day to day activities, and for clubs a position where they can’t hold most face to face events like they use to. That being said, the C&S department strives to make this year, still a year to remember! We will do our best to provide support and assistance for all clubs at any point in time. Our department will continue to provide funding and are keen to establish additional resources and trainings, so that clubs can still create fun events and activities for all university students.

We believe that there is a silver lining to everything, and we can make this year worthwhile with everyone’s participation! The department will continue to affiliate new clubs, so if you feel like there is a scope for an additional club, have a chat to us about it, and we will be more than happy to help out!

We hope you can use this Clubs guide to check out all the clubs we have to offer. We also recommend you to check out our events calendar and website to find out what club events are happening and when throughout the semester.
There is no doubt that Clubs and Societies will be a huge part of your Uni experience, and we can guarantee you will enjoy it!

Our office is located on the Ground Floor of Union House, right next to North Court. Just look for the purple penguin plastered on the walls (aka our super adorable mascot, Gunther!). Once we are back to face to face campus life, we highly encourage you guys to stop by, and we will be more than glad to answer any club related questions or queries you may have.

As of right now, do not hesitate to contact us in our emails at clubs@union.unimelb.edu.au for any queries, our inboxes and hearts are always open to you all!

Let’s make this year, a year to remember!

— Kalyana Vania & Muskaan Hakhu
Clubs & Societies Office Bearer

To find out more: umsu clubs
How to affiliate your club

Reasons to start a club can be as simple as contributing to the University community, meeting like-minded people or to receive funding from UMSU for events.

Some of the benefits of affiliation include representation and support from the UMSU C&S department, financial grants in specific categories, free or discounted use of UMSU and University facilities and resources, participation in C&S promotional expos, access to locker and mail facilities, discounted training in Safe Food Handling and Responsible Service of Alcohol, listing in C&S advertising and on the UMSU website, and public liability insurance cover.

The club affiliation process is straightforward and you can always contact the C&S office for help.

**STEPS**

1. Fill in an application form (available online or from Union House) and submit it by 4.30pm on the Friday of Week 3.

2. You will need to complete all sections of the form, including finding 50 students to sign the Expressions of Interest form.

3. In weeks 4 and 5, the C&S Committee considers all applications and you will be advised of the outcome!

If the C&S Committee accepts your application, you will be invited to draft a club constitution (we will help you with this) and attend an information session about holding an Inaugural General Meeting (IGM).

Following your IGM, the clubs staff will review all of your paperwork and the C&S Committee will formally affiliate or deny affiliation to your club and you will be advised of the outcome.

For more info: [umsu clubs/affiliate]

Or come and speak to Kalyana and Muskaan in the C&S office!
